

# North Florida PRSA 2018 Student Career Tour

When landing your first public relations job or internship, how do you find the right career path? Like Goldilocks, how do you find that “just right” fit?

Here’s a hint: **One size certainly does NOT fit all!**

Let North Florida PRSA help you sort out your options and find the career path you *love* at our Fourth Annual Career Tour on (fittingly, Valentine’s Day Eve!) Tuesday, Feb. 13. We’ve expanded our agency tour to include corporate, government and nonprofit settings.

*Guests who attended our 2017 Career Tour at Nonprofit Center of Northeast Florida*

On our tour, you’ll meet professionals offering their perspectives on what to expect, skills to excel, opportunities for advancement, and how to get in the door!

Following our first stop, we’ll join North Florida PRSA for an hourlong networking, resume and interview skill-building session, followed by its monthly luncheon at 11:45. After you’ve collected invaluable professional contacts, we’ll head out to our second and third stops of the day and have you heading home by 5 p.m.
